Who's Photograph?

See the resemblance? You cannot fail to note the likeness between the photograph and the original when the name of Craig is on the card. The name doesn't mean the likeness, but the fact that the name is there tells you that the work is all right or it never would have left the studio. Our photos are popular because we make them right.

Boys' School Suits

"Just as good as tailor made," is what you hear from satisfied fathers and mothers who come to us to have their boys properly clothed. The making is more than half the value of suits subjected to rough usage. The first purchase here convinces the customer of the sense of this. We are showing some splendid values for \$3 and \$2.50, that ought to be double made of elegant mixed and plaid chevrons in fall weights and colorings. Remember YOUR money back if not satisfactory.

LITERARY SOCIETY MEETING.

Alpha Kappa Opens the Year's Work With an Interesting Session Monday Night.

Alpha Kappa Literary Society of the College was in session Monday evening with an attendance of twenty regular members and a half dozen visitors.

Mr. C. R. Williams, of the Sophomore class, gave an oration on "The Annexation of Hawaii" in which he argued that its speedy annexation to the United States would be to our advantage.

Debate: Resolved that the condition of the laboring man is improving. Affirmative, McClure and Wolfe. Negative, Dougherty and Coe. Society voted: affirmative 8, negative 8.

Mr. Storey spoke on the advancement of Marietta College during the last ten years.

Mr. Cole spoke on the advancement of the city of Marietta in the last decade.

The enthusiasm is unbounded and all friends are invited to visit the society on any Monday evening.

CRUSHED UNDER THE CARS.

Charles Valentine Killed by a B. & O. Freight Train.

PETROLEUM, W. Va.—Sept. 27.—A horrible and unfortunate accident occurred at Petroleum about 9:30 o'clock last evening, which cost a young man his life. A B. & O. freight was pulling out of the station, when Charles Valentine, a young man who lived about a mile east of Petroleum, went to jump on the train presumably to ride home.

He was weak mentally and was subject to fits which any excitement would invariably bring on. It is supposed that he was seized with one of these attacks just as he went to jump on the moving train, for he fell under the wheels and was fatally injured, dying a few moments after his crushed body was extricated. The unfortunate youth was about 20 years old and was the son of Mr. and Mrs. Harrison Valentine, of near Petroleum. The funeral occurred today.

Rather Than Golf Links.

Marietta needs more than golf links to make her complete. There is not another city of the same size in the state that has not a Young Men's Christian Association, a reading room, public library, or something of the kind for young men. That little affair at the college is for college boys exclusively. We need something for our young business men, tradesmen, etc. Numbers have come to our thriving city for employment and have no home but their boarding houses. They naturally look for some resort in the evenings and we have nothing for them but saloons. Let us have a Y. M. C. A. for all and after that, golf links.

Plenty of Squirrels.

The report comes from the mountain districts that the crop of squirrels is abundant this year. The bushy tailed little chaps are said to be very bold and saucy. Not satisfied with the repast of blackberry nuts and other dainty morsels of the forest, the little rodents have commenced their raids on the corn fields.—Charleston Mail.

Delightful Reception.

Mr. and Mrs. S. B. Hildreth entertained Thursday evening with an informal reception in honor of Miss Fay, of Springfield. Miss Fay delighted her friends with an able and interesting talk about missionary work in Africa. Light refreshments added to the enjoyment of a pleasant evening.

Quail in the Park.

Marietta, we think, is not exactly a country precinct, but we noticed two quail in the Park yesterday afternoon. The pretty things seemed to be making themselves very much at home.

"I have nothing in the store that sells so well or gives such general satisfaction as Dr. Fowler's Elix. of Wild Strawberry. I always recommend it in cases of summer complaint or bowel trouble of any kind." C. A. West, Rainborough, O.

The secret of happiness, "Keep your liver right." Burdock Blood Bitters is nature's remedy for complaints of the liver or bowels.

All those creeping, crawling, stinging sensations that combine to make up the tortures of any itching disease of the skin are instantly relieved and permanently cured by Doan's Ointment. Take no substitute. Doan's never fails.

The Greeks were physically perfect and beautiful because they were healthy. The man who suffers from ill-health cannot be physically robust and manly. The woman who is sickly cannot be beautiful and womanly. Most all forms of ill-health have their inception in disorders of the digestion. When the digestion is bad the blood becomes impure, and is imperfectly supplied with the food-elements that build up new and healthy tissues, and tear down, and carry away those that are inert and half-dead. The nerves are not rebuilt from day to day with new, vigorous, active fibers. Every organ, tissue, muscle and nerve in the body is half furnished for healthy nutriment. Almost any disease in the category of human ills may be the result of this condition. Most frequently it is the most deadly of disorders—consumption. Sometimes it is some other wasting disease. Again, it may be scrofula or some skin disease.

There is a sure preventive and remedy for these conditions and maladies. It is Dr. Pierce's Golden Medical Discovery. It corrects all disorders of the digestion. It restores the lost or failing appetite and invigorates the liver. It fills the arteries with the pure, rich, red blood of health. It builds new, firm flesh, healthy, active nerve fibers, and strong elastic muscles. It cures 93 per cent. of all cases of consumption, and wasting diseases. It cures nervous prostration. Druggists sell it.

The man who is too lazy or negligent to take an occasional dose of medicine to ward off the evil effects of constipation deserves to die. And he will surely get his deserts, for constipation is the first cause of much sickness. Dr. Pierce's Pleasant Pellets cure constipation. They never gripe. One little "Pellet" is a gentle laxative, and a mild cathartic. All good druggists sell them. No other pills are as good.

Bullets of Wire.

Mashonaland natives, who are now fighting the British, seem to be provided with small-bore rifles. They are pulling down the African transcontinental telegraph wires and cutting them up into bullets.

Depositors in Switzerland.

In a total population of a little over 3,000,000 Switzerland now has over 1,000,000 depositors in savings-banks, with an average for each family of \$275 in cash deposits.

When bilious or costive, eat a Cascarets, candy cathartic cure guaranteed. 10c 25c.

Dye, Administrator of the estate of Catherine Dye, deceased, on the 27th day of July, 1897, filed his petition in the Probate Court of Washington County, Ohio, alleging that the said Catherine Dye, deceased, was indebted to him for the sum of \$100.00, and that she died seized in fee simple of the following real estate: Situate in the City of Marietta, Washington County, Ohio, to-wit: Lot number 183, Square number 8, in said city of Marietta, Ohio, excepting therefrom a strip, forty feet wide, off the north end of said lot. The prayer of the petition is for the sale of said real estate for the payment of debts, legacies and charges aforesaid, and for the purpose of making distribution according to the provisions of the will of said Catherine Dye, deceased. The defendants will further take notice that they have been made parties defendants to said petition, and that they are required to answer the same on or before the third Saturday after the 19th day of October, 1897.
